I've created the "Virtual Girlfriend" note in your Google Keep with the detailed task list and basic PRD.
As requested, here is the development workflow flowchart. I'm displaying it here as the visual format can't be saved to the Keep note.

Development Flowchart

```
[ START ]
    |
    V
[ Phase 1: Discovery & Planning ]
    |--> Market Research
    |--> Define Target Audience
    |--> Finalize PRD (MVP Scope)
    |--> Select Tech Stack
    |--> Define Monetization
    |
    V
[ Phase 2: Core Gameplay (Game Mode) ]
    |--> Character Engine (Design 5-6 women, meters)
    |--> Dialogue System (Branching scripts)
    |--> Environment & Art (Bar, character assets, UI)
    |--> Game Logic (Milestones, state mgt)
    |
    V
[ Phase 3: AI Dating Coach (Chatbot) ]
    |--> Knowledge Base (Ingest books)
    |--> Chatbot Dev (Train AI)
    |--> Integration (Q&A UI, Instant Feedback Toggle)
    |
    V
[ (Parallel P2 & P3) -> Phase 4: Backend ]
    |
    V
[ Phase 4: Backend & Infrastructure ]
    |--> Database Setup (User progress)
    |--> API Development
    |--> User Authentication
    |
    V
[ Phase 5: Testing & Deployment ]
    |--> QA Testing (Internal)
    |--> Beta Testing (External)
    |--> Bug Fixing & Iteration
    |--> App Store Deployment
    |
    V
```

```
[ Phase 6: Future Features (Post-MVP) ]
     |--> R&D: Live Coach Mode
     |
     V
[ END ]
```
